MEMORANDUM FOR THE RECORD

SUBJECT: Status of Proposed Legislation to Establish
a Single Agency Retirement System

1. This memorandum is to document conversation with the Director of Personnel (D/Pers) and Office of General Counsel (OGC) with respect to the draft legislation to establish a single Agency retirement system and incorporate provisions to cover employees hired on or after 1 January 1984 who are covered by Social Security. In a conversation with the undersigned and D/Pers of 1 August 1985, D/Pers advised that the DCI and DDCI had given their blessing to the proposed legislation and that each of the Directorates Deputy Directors have also reviewed and concurred on the package. Mr. Magee stated that he had given his copy of the proposed legislation to Mr. Sporkin to obtain OGC concurrences before going to the Office of Management and Budget (OMB). He stated he wanted to press OGC for an opinion as soon as possible so that the meeting with OMB could be arranged.

2. The undersigned, along with [redacted] met with [redacted] of OGC to negotiate changes that OGC felt should be incorporated into the package. This was a follow-up meeting to the one held 1 August with OGC where [redacted] outlined those recommendations. In essence, they agreed that the following changes would be made:
